CUSTOMER APPRECIATION DAY

We all had a great time, great food, and great information. We had a great turn out. I would like to personally thank Melissa Braun in putting the scavenger hunt, games, and prizes together for the kiddos. They had so much fun. I have pictures and will put them on the website soon.

MOVING HORSES

December 1st we will be moving a lot of horses around in the arena barn. We are trying to use the west side for western horses and east side for English. This will help with traffic flow in the barn. If all stalls are ready I will be moving them on Thursday so if you come out and your horse is not in his regular stall please check your new stall location. If they are not there, then panic! LOL!

IN HOUSE SCHOOLING SHOW

This EEC show is run by Amy Bender and is for our clients only. This show is a lot more relaxing and gives all of us a chance to meet people at the barn. You will always be a winner in this show. If you would like to participate, contact Amy at 402-740-9129 or

email me at kellie@elkhornequestriancenter.com.

NEED HELP!!!!!!

If you need any additional help with your horse, Emma would love to help you out. She will take your blankets to be cleaned and return them. Turn out on weekends for you if needed, bath, blanketing, etc. Emma has posted a flyer up in the lounge with more information. Emma is very responsible and very reliable. Please use her services if needed.

Emma Tichy is one of our clients who is very responsible and in Stall #26. I have given her permission to put up a list of job duties in the lounge with her charges if you need any additional help with your horse, she would love to help you out. She will take your blankets to be cleaned and return them. Turn out on weekends for you if needed, bath, blanketing, etc. Just stop in the lounge for more information. This has all been approved by the barn. Emma is very responsible and very reliable.

HEATERS AND DOORS

The heat is on, so please keep all doors closed. In the North Barn (by round pens) there is a heater in the hall way and bathroom on the wall. I turned it on so the pipes won't freeze. If you notice slow water flowing when you use this bathroom please let me know right away. This bathroom is on the northeast corner of the bldg. and freezes easily.

FLOWERS, ARRANGEMENTS, DECORATIONS

Thanks to all of you who donated the flower arrangements for the barn. We greatly appreciate the donations.

I know everyone is very busy during this time of year but I hope to get a chance to see all of you and/or spend a little time with you before the season is over. If I don't, I wish you and your family a safe and enjoyable holiday season.
