**July 5<sup>th</sup> to 7<sup>th</sup>  
w/sleepover on the 7<sup>th</sup>  
8:00a.m. to 2:00p.m.**

**SUMMER CAMP W/  
SLEEPOVER**

**JULY NEWS**

**WASH BAY REPAIRS**

I put a sign up in Barn #3 wash bay and I will put the same signs up in the new barn as well. The cost to fix the wash bay this time was \$921.00. I made a copy of the repair bill as well. I feel like we are family here and all use the same area's and hope everyone takes pride in keeping a clean facility. It is the same people cleaning up after others and it's not fair to everyone else. Please take pride in our facility or no one will.

**INTRODUCTION**

I hope everyone is enjoying their summer! I know it's really hard this year with all the rain we are getting, flooding, and severe storms. This is a time to be outside and ride all over the facility, travel with your horses and show. Thank goodness with all the rain that we have a nice indoor arena to ride in. I feel for all the people who are dealing with the flood and know it could be a lot worse at our facility. Make as many memories as you can this summer.

**BRING TO THE BARN**

I have had ticks on myself, so don't forget the water bottle, sun screen, and tick repellent.

**CONTEST CONTEST (RENAMING THE BARNS)**

Now that we are remodeling the barns, it would be nice if we could come up with a name for each one and put it on the bldgs. The indoor arena will stay named Main Bldg. but let's rename Barn #3, Barn #2small indoor, and the white barn. This contest is to come up with the best name for each of the barns. The winner(s) will receive a \$25.00 gift card for each barn name we use. I will put a box in the lounge that you can drop the names in. I will do the drawing the 1<sup>st</sup> of August.

**STORM DAMAGE REPAIRS**

Barn #3 is looking beautiful!! The guys will be replacing the roof and guttering the last week in June. This bldg. was the worst, east and west outside walls rotten. We had to reconstruct the outer walls before we could put windows in, reside, fix electrical issues and the over hang. With a little dressing up I think it looks really nice now. We also replaced all lighting and a new commercial front door. I apologize in advance for it taking so much longer than expected but didn't know we would run into these problems. Let's hope the other buildings go faster.

## **WINTER BLANKETS**

**It is now July and there are still winter blankets in the alley ways. I am assuming these are blankets that no one is claiming, therefore; I will be removing them as we repair items in each barn. If they are yours, please take them home to clean and store or they will be removed by me and will become donations to the barn.**

## **FAN FEES**

**If you haven't noticed on your invoice for July, there is no fan fee. This is due to all the horses moving around due to construction. I thought I would charge only \$5.00 instead of \$10 this month but thought in August I would charge the full \$10.00 amount for those of you who have fans up. Please do not include this fee in July. I hope everyone thinks that is fair.**
