## **OCTOBER NEWS**

I hope everyone is having a spooktacular fall. This weather is a beautiful time to ride outside before we are all stuck inside.

We are working on winterizing all that needs to be done and hope we have nice weather because our list is very long. If there is anything needed that requires dirt work, painting, or anything else affected by winter temperatures that I am not aware of, please let me know. We will do our best to get it done before the weather changes.

### **OPEN HOUSE AND STALL AVAILABILITY**

We have a lot of great changes coming our way and are so excited to finally have some stall openings. Our waiting list has been filled. Starting the middle of November we will have a few open stalls available. If you know someone that is wanting to board at EEC please have them contact Kellie before they are gone. If you refer someone to our facility, and they sign a 12 month contract, EEC will give you a 25% credit on one month's board. That is a \$125.00 savings. We are planning an open house. Please look for more info in the November newsletter.

### **NEW INFO CARDS**

I have added a new orange card to our other informational cards. This orange card is to be used when a horse leaves for a show, clinic, etc., and filled out when they are returning so we know when to feed your horse. The card says "HORSE WILL RETURN ON" \_\_\_\_\_. Please put the day or date and circle AM or PM. This will help the feeding staff know if they should feed or not.

### **CUSTOMER APPRECIATION DAY**

The Trainers, Staff and I want to thank everyone for being part of this wonderful place and that you make it what it is today. Our way of saying thanks is coming your way. We are planning on a Customer Appreciation Day in the month of November. More information will be placed in the November news. Let's hope the weather stays nice.

### **DE-WORMING**

We are waiting for the first frost and will keep you posted. Melissa and I will do this together and will bill for the wormer and \$1.50 administering fee on November's billing. Melissa will be sending a client list out sometime this month.

## **FLOWERS, ARRANGEMENTS, DECORATIONS**

Show season for the schooling shows are fast approaching our facility. We have noticed our flowers have taken a really bad beating. We need to replace them before show season this year but were looking to see if anyone had any old arrangements or flowers they wanted to donate to the barn. I've been brings some stuff from home and cleaning out closets. You can't believe what you can find when you re-organize. We really need your help. It would be greatly appreciated. Don't worry how bad it looks, I'm sure we can use it and make a beautiful decoration for the school shows. Any donations would be greatly appreciated.

## **MICHAEL BEINING RETURNING**

Michael will be returning to EEC November 4<sup>th</sup>, 5<sup>th</sup>, & 6<sup>th</sup>. Please contact Melissa Piennett for scheduling.

## **CONSTRUCTION PROCESS**

I have requested Dennis to finish barn #2 (small indoor arena). The portables are finally empty and we can work on the ceiling and install the new garage door. We need to close off the opening in the white barn where we took the garage door out and put in a slide door instead.

## **VENDING MACHINE**

The weather is getting cooler so you know what that means? We can put chocolate back in the vending machine. I will be going next week to get vending machine supplies so please let me know if you have any special request. Just send me a quick email on your favorite candy and I will do my best to get it in the vending machine for you.

Enjoy your outside riding time while you can and spend as much time with the ones you care and cherish in your life. Life is full of challenges but it is how you handle them that make you who you are.

## **ARENA**

When we have nice weather like this, we love to have the arena doors open but please keep them closed. If the doors are left open, it dries out the sand and drops the temperature in the arena. Product will be added to the arena to hold in the moisture once we have the first hard freeze.

## **OVERNIGHT SLEEPOVER**

Want to have some fall fun? Pam has a fall sleepover scheduled for the 29<sup>th</sup> to 30<sup>th</sup> of October for those people needing an overnight sleepover this is a great time for the kids and a safe place. She tries to schedule it when we have a show away from the facility or there's not a lot going on. It consists of riding, grooming, roasting, and a lot more. The children must be 9yrs old or older. Please contact Pam at 402-290-9245 if you are interested.
